

**The EastShore Chorale presents:  
Seasons Old and New**

**Saturday December 20th 2025  
Calvary United Methodist Church**

**About The EastShore Chorale.....**The EastShore Chorale is a non-sectarian, intergenerational community choir based in Regent Square, Pittsburgh. As part of Eastman Community Projects, a non-profit that focuses communities on becoming more art-centric, the choir seeks to uplift and enrich the community through the performance of a wide range of music, and to provide an opportunity for people to contribute to Pittsburgh's thriving arts scene.

Founded in 2018 by artist and designer John Eastman, and directed since its inception by Ben Filippone, the choir continues to strive for ever higher levels of artistry, attract talent from across the city, and to make a lasting positive impact on its members as they hone their singing skills together and forge new friendships.

The EastShore Chorale would like to extend our thanks to the Calvary United Methodist Church for hosting and assisting with this concert.
